FOUR-LEGGED FRIENDS WELCOME

Dog Guidelines

To ensure a relaxing stay for you, your four-legged family member and all our other guests, please observe the following points. They form part of our accommodation agreement. Thank you for your cooperation.

- Your four-legged friend is very welcome here. For stays with a dog, double rooms in the Comfort or Superior categories marked "Pets allowed" are available. If none of these rooms is shown as available for your preferred dates, please contact us. We will be happy to check availability for you.
- We charge a fee of EUR 15 per night for your dog.
- Dogs are also welcome in public areas such as the hotel bar and restaurant. Our service team will be happy to assign you a suitable table.
- We accept well-behaved, well-groomed and house-trained dogs. The dog owner is liable for any damage caused.
- Your dog should be accustomed to staying quietly in the room without barking. Otherwise, your dog may not be left alone in the room.
- Your dog's temperament must be suitable for staying in the hotel and in the restaurant and bar areas. If this proves not to be the case on site, we reserve the right to impose restrictions or exclude the dog from these areas.
- Dogs classified as restricted or listed breeds are not permitted, irrespective of the German federal state in which the breed is classified as such.
- The dog's maximum shoulder height must not exceed 60 cm.
- For hygiene reasons, dogs are not permitted on beds or upholstered furniture. If this rule is not observed, we will have to charge you for special cleaning.
- One dog is permitted per room (exceptions on request).
- Please note that dogs must be kept on a short lead throughout the hotel grounds and inside the hotel. We are located in the heart of the Wadden Sea National Park. To respect the local wildlife, please observe that dogs must be kept on a lead and visitors must stay on designated paths throughout the National Park. Further information: https://nationalpark-wattenmeer.de/wissensbeitrag/mit-dem-hund-im-nationalpark/
- Please do not allow your dog to relieve itself on the hotel grounds. Extensive walking routes are available directly adjacent to the hotel.
- Dog waste bags are available from us for your walks
- In the restaurant and bar, dogs must be kept on a lead and lie under the table.

Please also see page 2.

- Food and water bowls and dog beds are available. Please let us know in advance if you would like us to provide these for you.
- Persistent barking disturbs other guests.
- As a female dog in heat can significantly affect the behaviour of male dogs, please take this into account when planning your trip and visit us outside this period.
- Please note that your dog may not be left alone in the room while housekeeping is cleaning the room.

Version: March 2025

We wish you and your four-legged companion a relaxing stay and are always happy to assist you if you have any questions.

Your team at Nordsee-Hotel Arlau-Schleuse
